

Personal care.

Effectiveness. Results.

We help you turn challenges into triumphs... one-on-one!

At Rehab In Motion Physical Therapy, Niky Bodalia and the rest of the staff take pride in delivering personalized care and the outstanding results you deserve. We treat patients like individuals instead of numbers. And we treat all kinds of orthopedic conditions, sports- and work-related injuries and pre- and postsurgical problems.

Our physical therapists are licensed and certified. Our team has provided hundreds of healing treatments to Robertsdale-area residents. With a unique combination of positive motivation, personal attention, hands-on care and technical expertise, we have helped so many patients achieve healthier, more active, more enjoyable lifestyles.
