

**We're motivated to get
your employees better,**

Fast!

Fast therapy solutions for work-related injuries.

If an employee has suffered an on-the-job injury, you need more than standard medical treatment — you need a targeted rehabilitation program that will relieve their pain and restore their function as quickly as possible. You need Rehab In Motion Work Rehab Center.

When injuries occur, we're highly motivated to help get employees back to work quickly. We're motivated to help business and industry get the most from their employees — in productivity, work quality, reduced insurance costs and improved attendance. Our therapists will:

- Evaluate your employee's condition
- Design a customized work reconditioning program
- Teach employees how to prevent future work-related injuries

Dedicated to expedient Workers' Compensation cases.

Our physical therapist's work hand-in-hand with physicians in order to expedite Workers' Compensation cases and return employees to work as soon as possible. You see, our focus is twofold: quick rehabilitation and constant communication. By combining these two philosophies, we've become the choice of many local physicians for Workers' Compensation cases.

Our Rehab In Motion Work Rehab Center services include:

- Manual therapy • Injury prevention education
- Ergonomic assessments • Work-risk analysis
- Functional capacity evaluations (FCEs)

We treat:

- Repetitive-strain injuries • Back injuries
- Work-related musculoskeletal disorders

Industrial rehab.

We work with Workers' Compensation claims and virtually every type of work-related injury. These include accident-type injuries to the back, neck, shoulder, knee and elbow, crushing-type injuries to the hands and feet, repetitive stress-type injuries like carpal tunnel syndrome, and many more.

Our Rehab In Motion Work Rehab Center can:

- Cut Workers' Compensation costs • Reduce claims
- Reduce on-the-job injuries • Improve productivity
- Improve employee relations

Save on your RAC Health & Fitness Membership

After treatment, you can join The RAC Health Complex for only \$20 down and \$20 a month. Our modern facility includes computerized bikes and treadmills, ellipticals, steppers, rowers and a lot more. Ask your physical therapist for details.
